

PRM Training | Provide First Aid in Education and Care Setting (including CPR)

Delivered by Allens Training PTY Ltd - RTO 90909 through PRM as a 3rd party provider. Nationally recognised training.

This course provides practical training for workers within an education and care setting to respond to first aid emergencies in line with legal and workplace requirements, Australian Resuscitation Council guidelines and other Australian national peak clinical bodies.

It teaches how to identify illness or injury, access emergency services, safely provide first aid treatment using action plans, equipment, and resources, for CPR, defibrillation, administering an autoinjector for anaphylaxis, administering asthma medication, immobilisation for envenomation, fractures, dislocations, sprains and strains, for bleeding and shock and other conditions.

You will learn basic anatomy, physiology and the differences between adults, children and infants relating to CPR, managing an infant or child with an acute illness, or who requires an immediate ambulance response and conveying incident details to parents, caregivers, and emergency services.

The course covers completing incident documentation and debriefing for improvement of response, recognising psychological impacts, talking with children about their emotions and seeking help as required.

Performance tasks and practical scenarios:

- Simulated First Aid Scenario – Perform CPR on an adult (incl. the use of an AED and placing a casualty into the recovery position)
- Complete a first aid incident report form based on the simulated first aid scenario
- Perform CPR on a child
- Perform CPR on an infant
- Manage a casualty with anaphylaxis
- Manage a casualty with asthma
- Manage a choking casualty
- Manage a casualty with non-life-threatening bleeding and shock, requiring minor wound cleaning
- Manage a casualty with a nosebleed
- Manage a casualty with a fracture and dislocation
- Manage a casualty with a sprain and strain
- Manage a casualty with envenomation (snake/ funnel-web spider bite)

Class Size / 12 maximum

Duration / 9 hours face to face

Style / In class lecture and practical hands-on skill development, with demonstrations and discussions, including slides and video. This is a skills-based course with significant practical learning requiring active participation of the students. Individuals undertaking this course will be expected to complete both written and practical assessment tasks.
